

ASSIGNMENT OF BALANCING PRIVILEGES

_____ (“Customer”), a customer of Equitable Gas Company (“Equitable”), hereby assigns to _____ (“Pool Administrator”), who has qualified to operate a transportation gas pool on the Equitable system, all rights to balancing and any other services that may be hereafter offered by Equitable for the purpose of reconciling Customer’s gas consumption with the deliveries of gas to Equitable on behalf of Customer. This assignment is a condition to Customer’s participation in Pool Administrator’s transportation gas pool, and it shall remain effective until the first day of the next month after Equitable receives notice of termination from either Customer or Pool Administrator or until termination of Pool Administrator’s transportation pool, whichever occurs first.

The rights assigned hereunder by Customer to Pool Administrator may not be reassigned by Pool Administrator without the prior written consent of Equitable.

In the event of Pool Administrator’s nonpayment of standby usage charges, balancing charges or penalties, Customer shall be liable to Equitable for its prorata share of such charges.

IN WITNESS WHEREOF, Customer has caused this Assignment of Balancing Privileges to be executed by Customer’s duly authorized representative this ____ day of _____, 200__.
